LIMITED WARRANTY

Thank you for purchasing Harnitek products! In order to allow you to better use our products and enjoy our considerate service, please keep the Warranty Card properly.

Our company's commitment to the warranty of Harnitek products is as follows:

- 1.Harnitek products are warranted to the original purchaser only against defects in materials or workmanship.
- 2.The warranty is valid from the date the product is installed for one (1) Year for the host of the unit, and three (3) year for compressor; or starts from the date 6 months after the date the warehouse released the product. And if repair or replacement is happened out of the warranty period, reasonable fee will be charged.
- 3.The warranty becomes void if the product has been damaged by alteration, misuse, accident or neglect, or any unauthorized modifications, such as non-Harnitek's accessories are used.
- 4.A copy of your original receipt and this warranty card are required for warranty redemption. The "Maintenance Service Registration Form" shall be filled out by the maintenance personnel when repairing, please keep this card properly;
- 5.Hunan Harnitek Technology Co., Ltd. reserves the right to interpret the warranty terms.
